

Clear Lake Cottagers' Association of Field

2024

WELCOME BACK!

Some of us love winter, and some of us don't! Regardless, even you snow worshipers will appreciate how happy cottagers are when Mother Nature allows them to open up their cottage in early April !

Our community continues to change. We miss those who have moved on, but welcome all of new faces, renovations and new builds springing up around the lake. Times change quickly and it is more important than ever that owners of lakefront property have a voice with agencies that can help protect our beautiful lake and ensure our continued pleasant way of life. CLCA can ensure you are heard by advocating on your behalf. We encourage members to spread the word to any new neighbours and have them review our website at: <https://clearlakecottagersassociation.ca>

MUNICIPAL COUNCIL MAKES CHANGES

Mayor Rochon and council continue to develop and introduce new laws that will impact CLCA members. Recent zoning bylaw changes regarding Storage Containers, along with the new Beach and Short Term Rental Bylaws promise to provide protections to our lakefront owners and the environment around Clear Lake. Council continues study the use of Recreational Trailers, with a view to adding protecting for our environment (especially our lake water)
